## WELCOME TO PLAS GLANSEVIN

*The following guidelines and explanations are for the benefit of our registered clients for their added enjoyment.*

### MANSION AND ANNEXE

We aim to provide you with a wonderful house. When you arrive your beds will have been made, you will find towels, soap, shampoo, and loo paper in the bathrooms, and the open fires ready to light. In the well-equipped kitchen we also provide tea towels, washing-up liquid, and dishwasher powder. If you are renting the Mansion, the pool will be clean, even in winter, so you can use it with the poolside sauna. You will find various games, table tennis, table football, pool, as well as a barbecue, and maps of the local walks. You'll be shown around and we'll leave you with a folder of useful phone

numbers and a plan of the house that shows where to find the fuses, etc. Should you need help with anything, you'll have a contact telephone number for emergencies.

We want you to relax and enjoy yourselves; use the building as your home. It's alright to move furniture around; our only request is that put everything back as you found it before you go. Before you leave we ask that you do some basic tidying up (there is a note in each bedroom explaining what's required). This is really important for us as we sometimes only have a few hours to clean and prepare the house for the next guests. You can pay an extra fee (on application) if you don't wish to do this.

One question we are often asked is about the number of people that you can have on the premises; this is limited to the number you book for. If you book the Mansion it would be priced as for 31 people (irrelevant of actual numbers less than 31) and a maximum 40 with the flats included. If you book the Annexe as well as the Mansion the figure rises to 56.

For disabled guests we have a disability access ground floor bedroom, Room 12, with fully accessible shower room. Disability ramps can be put in place also, if requested. An access statement is available, to be emailed on request.

Glansevin is also a dog friendly property, maximum 3 dogs, please see tariff for rates/conditions.

I know it may sound trite, but we do take pleasure in

people enjoying themselves here. Its really nice when guests tell us what a great time they have had and for our part we often find ourselves thanking them for leaving the place so tidy and easy for us to clean for the next guests.

We ask for a £1000 refundable deposit to be paid 2 weeks before arrival. This is to cover against any damage and other items highlighted in the booking form.

In the attached documents you should find most of the information you require, if not email me. Whatever your reason for choosing Glansevin, I know you will have a memorable time here, it's a wonderful place.

# OUTDOOR ADVENTURE

## ABSOLUTE ADVENTURE

**Absolute Adventure Ltd** provides regular team building activities for a wide range of organisations, including Microsoft, Logica, Centrica, Local Authorities, South Wales Police, etc. They are experienced in designing and running courses that enable people to develop in terms of working in a team, solving problems, gaining in confidence and achieving in an unfamiliar environment.

They are able to meet the needs of all delegates, from senior managers to new staff, and ensuring the courses are effective without being an endurance test.

They co-ordinate problem solving tasks, which to successfully complete, groups not only need to work together but also to identify targets/responsibilities, and to work within a strict time limit. Effective discussion and communication is a major part of all the activities.

**Absolute Adventure** provide a wide range of tasks that can be tailored to suit the needs of your company and staff team. Their courses can be adapted to fit into and complement aspects of more formal teaching/training programmes.

Alternatively a multi-activity day, using outdoor activities such as rock climbing, gorge scrambling, canoeing, hill walking and navigation, can provide a valuable shared experience. Activities can be adapted to suit anyone's abilities or physical requirements. They are not necessarily strenuous, but are designed to enable the equal participation of all and to lead to a well-earned feeling of achievement.
